

mpi_subdomain::mpi
_subdomain_make

```
graph LR; A["mpi_subdomain::mpi_subdomain_make"] --> B["para_range"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'mpi_subdomain::mpi_subdomain_make' on two lines. A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains the text 'para_range' on a single line.
